

Pluris Water Connect Waiver

PLEASE SELECT UTILITY:

South Gate **Wedgefield**

Pluris and affiliated companies require the presence of the customer or his/her agent when water service is started or reconnected. (Must be 18 years of age or older).

The undersigned customer, _____, states that the water service may be started or reconnected in my absence at the residence listed below. I release and forever hold harmless Pluris and affiliated companies from any liability if water damage occurs inside my residence or to my service lines due to the water service being turned on in my absence.

I understand that Pluris and affiliated companies have the right but not the obligation to disconnect / cut off the water service should the meter indicate that there is water being lost for any reason. In this case, it will be necessary for me to set up another appointment during regular business hours to have the service connected/ turned on at my residence.
